Dear Doug Gryder,

On behalf of the Board of Directors of the Lake Cities Education Foundation and the *Out on the Town* Auction committee, we thank you very much for your donation of the following items for the 2009 Lake Cities Education Foundation Gala and Auction.

*500 Full Color Business Cards*

The event was a tremendous success, as we raised nearly \$40,000 from the auctions and sponsorships. The proceeds from this event will help to provide innovative grants for teachers of the Lake Dallas Independent School District and scholarships for graduating seniors of Lake Dallas High School.

We extend our thanks and appreciation for your support of the Lake Cities Education Foundation and our efforts to assist the teachers and students of the Lake Dallas Independent School District.

Sincerely,
